

Preparing for the application

The PACE Application for national approval is available online. Once you start the application you will be able to save your work and come back at another time, but it is good to be prepared before beginning the application.

The application consists of Yes/No s, short answer, multiple choice and file upload questions. To help you prepare, review the information in this document for a summary of the documents and information you should have available. The application will only accept .pdf or Word documents.

Information needed

Program Summary

Required Short Answer

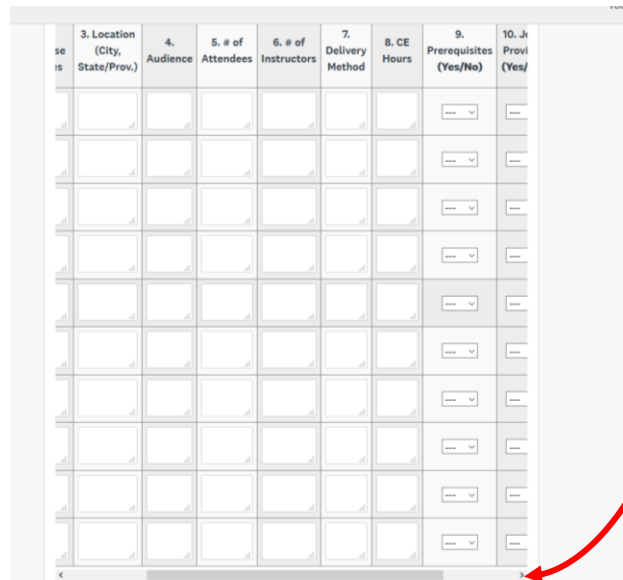

For recently held or planned courses, be prepared to list:

Course title, date, location, the intended audience, number of attendees, number of instructors, delivery method, number of hours to be awarded, if there are prerequisites, if you presented jointly with other organizations or if you received commercial support.

Organizations that offer self-instruction programs will also need to include release and review dates.

Notes:

- Up to three course tables will need to be completed so reviewers can see a summary of your CE activities.
- Past course summary: List up to ten courses offered by your organization in the past twelve months. If less than ten offered, enter all offered in the past twelve months.
- Future course summary: List up to ten courses planned for the next ten months. If less than ten are planned enter what is tentatively scheduled. If complete information is not available, enter what is available. If no courses are listed reviewers will question why your organization is applying for approval.
- Make sure to complete the full table. You will likely need to use the scroll bar at the bottom of the table.

The image shows a screenshot of a table with 10 columns and 10 rows. The columns are labeled as follows: 3. Location (City, State/Prov.), 4. Audience, 5. # of Attendees, 6. # of Instructors, 7. Delivery Method, 8. CE Hours, 9. Prerequisites (Yes/No), and 10. Jt Provi (Yes/No). The table is mostly empty, with some dropdown menus visible in the 'Prerequisites' and 'Jt Provi' columns. A red arrow points to the scroll bar at the bottom of the table.

| <p>Standard III: Goals Required Short Answer</p> <p>Be prepared to identify your organization's overall mission, organizational goals and long-range educational goals related to the continuing education program</p> | <ul style="list-style-type: none"> • Basic examples are available on the Application Support page of AGD's website; goals should be specific to your organization. • Goals should be related to the health care needs of the public and/or interests and needs of the dental profession. • Be prepared to identify who develops and reviews your mission and goals and how often they are reviewed. |
| <p>Standard IV: Needs Assessment Required Short Answer Attach Document optional</p> <p>Be prepared to explain how your organization identifies the upcoming educational needs of your audience and how you use this information when planning your courses. Attach your needs assessment survey, if available.</p> | <ul style="list-style-type: none"> • PACE Standards expect approved providers to identify the various methods they use to objectively identify the current professional needs and interests of their audience. • Both direct and indirect methods should be used. Examples of direct methods include surveying participants or documenting verbal feedback. Examples of secondary methods include referencing national guidelines, reviewing public health statistics or reviewing peer reviewed literature. • Applicants will have the opportunity to include an example of a needs assessment survey if available. Keep in mind that needs assessment surveys are fundamentally different than course evaluations. Only needs assessment surveys should be included in this section. • Applicants will be required to explain how and when the data they collect is used for planning. |
| <p>Standard V: Objectives Attach Document Required Short Answer</p> <p>Written course objectives from your three most recent programs.</p> | <ul style="list-style-type: none"> • Samples should be taken for the course publicity. If objectives from course publicity are not available, include samples from student handouts or instructor slides. • If multiple courses were offered at your most recent program, include the written course objectives from three of the sessions offered. • If less than three programs have been offered, attach course objectives from your most recent one or two programs. • If written courses objectives are not available, you will be given the opportunity to provide an explanation. • You will be asked to explain when your organization develops your educational course objectives, who provides input and how course objectives are related to the course content and educational methods used. |
| <p>Standard VI: Admissions Required Short Answer Attach Document optional</p> <p><i>IF APPLICABLE</i>, examples of how you notify potential participants that previous training or preparation is necessary to participate in the course or if attendees are required to provide materials or equipment to participate in the course.</p> | <ul style="list-style-type: none"> • If a course requires previous training, preparation or a certain level of knowledge, skill or experience that precise information must be made clear to participants prior to registering. • If attendees are required to provide materials and/or equipment to participate in the course, that precise information must be made clear to participants prior to registering. |
